CERTIFICATE OF
TRUE TRANSLATION

This is to certify that the translation of the below mentioned documents have been duly completed by Elite Translations Philippines ("ELITE") from _____ to _____, and is done truthfully in a professional manner. The Translation process includes the content translation as well as editing and proofreading (TEP) by a native linguistic professional.

The TEP process verifies five major areas of language which includes style of writing, punctuation, accuracy of the terminology used, grammar as well as spelling. All areas have been confirmed to be accurately interpreted and translated at the point of completion. It is also understood that the below mentioned client has verified the translation and accepted the translation completely.
